RAILROADS IN EUROPE AND ASIA.—The announcement comes from Berlin that the Germans propose a mail route between the Levant and Hamburg, and that there will likewise be a great German railway in Asia Minor. It is said that this project was materially advanced in the conference between the Emperor William and the Sultan at Constantinople. What with Russia building a railway through Siberia to parallel the Chinese frontier and virtually bring China within the range of her armaments, the steady movement of the French in the Tonquin regions, and the quiet advance of German energy and intelligence in all parts of Asia, England will have to look out for herself. Her apprehended rival has been Russia. But now that Germany comes to the front, the race for empire becomes more and more a problem. The English, however, are not without Imperial wisdom. They have never lost anything they held, except the United States, and that was lost not by the English, but by a German Prince, who would have his own way in spite of the ablest Englishmen of the time. It may be, however, that England is indifferent about Asia, which has been thoroughly looked for two centuries and stands to win on Africa.

MEDICINAL.

SKIN CANCER.

Several years ago I called to see a colored woman who had a malignant form of cancer on her foot. She showed me the tumor under the prescribed treatment, and the tumor and one of the foot were a length entirely away. The patient could not have survived much longer, but I commenced the use of Swift's specific, and it cured her sound well. That was three years ago, and there has been no return of the disease. I regard Swift's specific as most excellent medicine for blood diseases, as its tendency is to drive out the poison.

Matherville, Miss. Wm. E. Stagg, M.D.

CANCER OF THE TONGUE.

For three or four years I had a swelling cancer on my tongue, and made a considerable hole in it. I became alarmed at its progress, and went to Atlanta for treatment. The result was that I commenced the use of Swift's specific, and the cancer soon grew, without the use of any other medicine, and was entirely cured. I am now well, and feel as well as ever. I am now well, and feel as well as ever. I am now well, and feel as well as ever.
